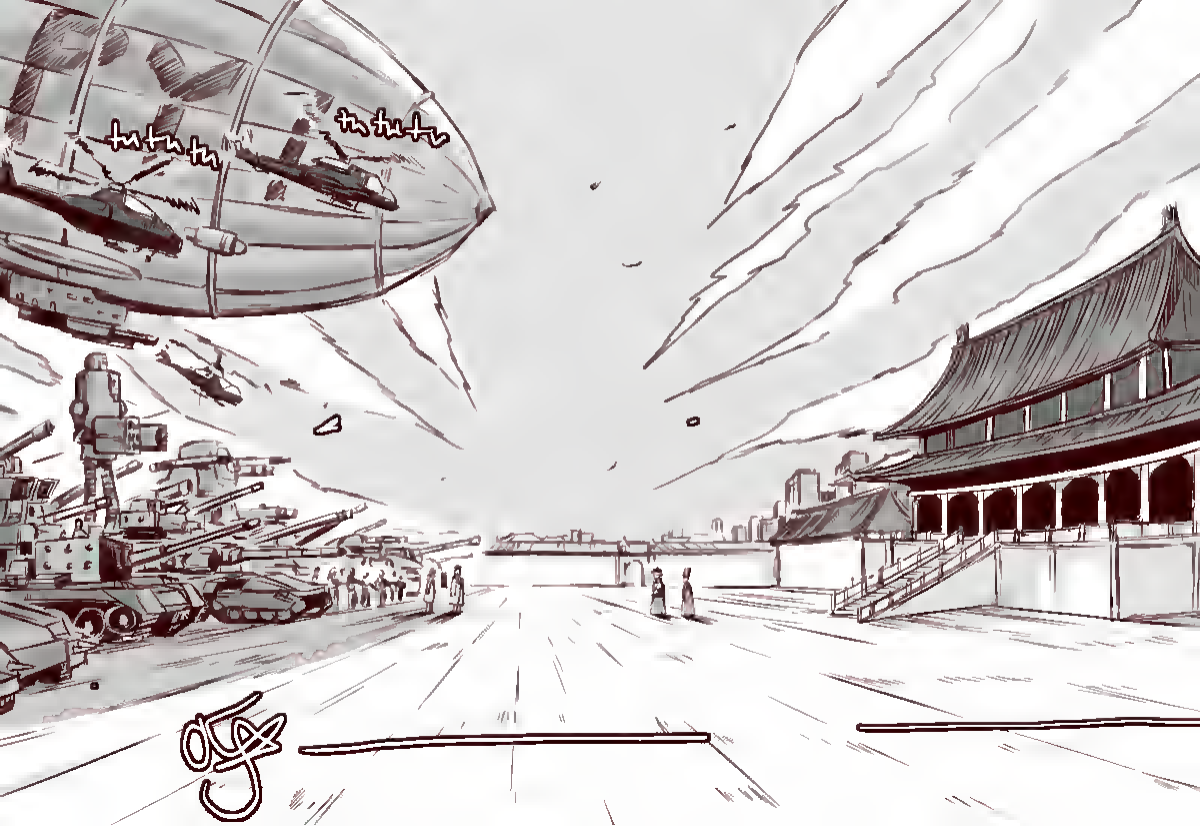
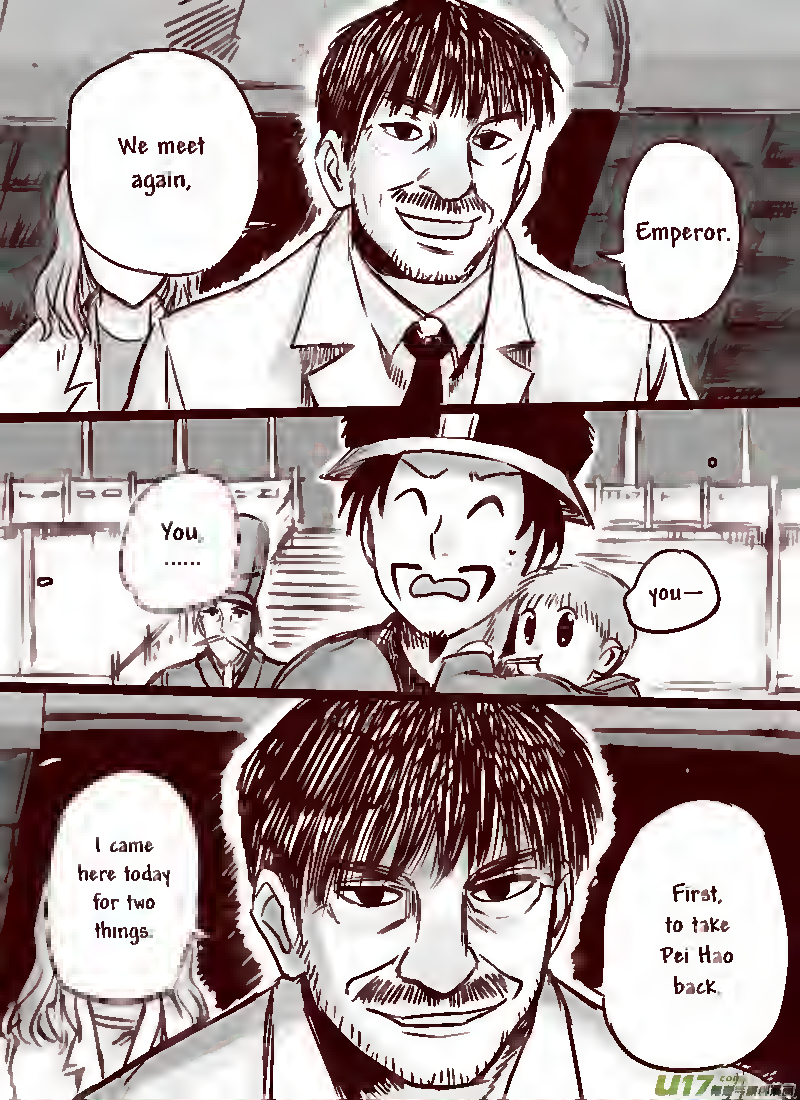
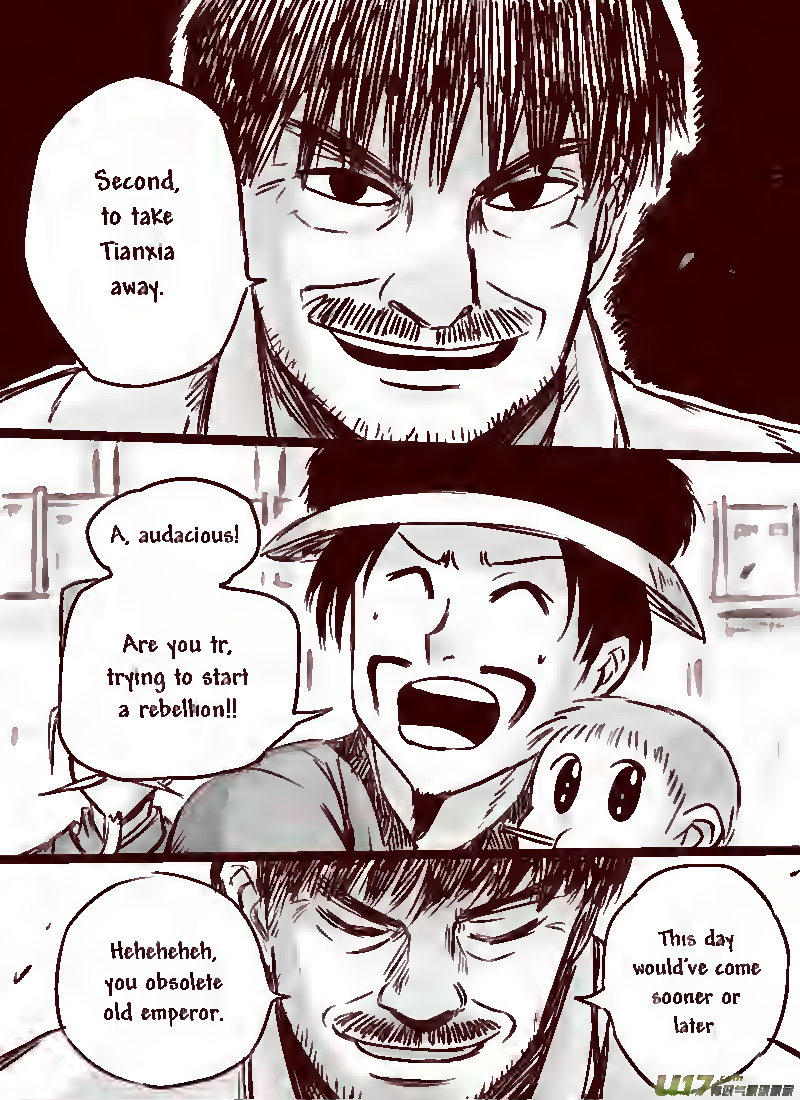
Act 20





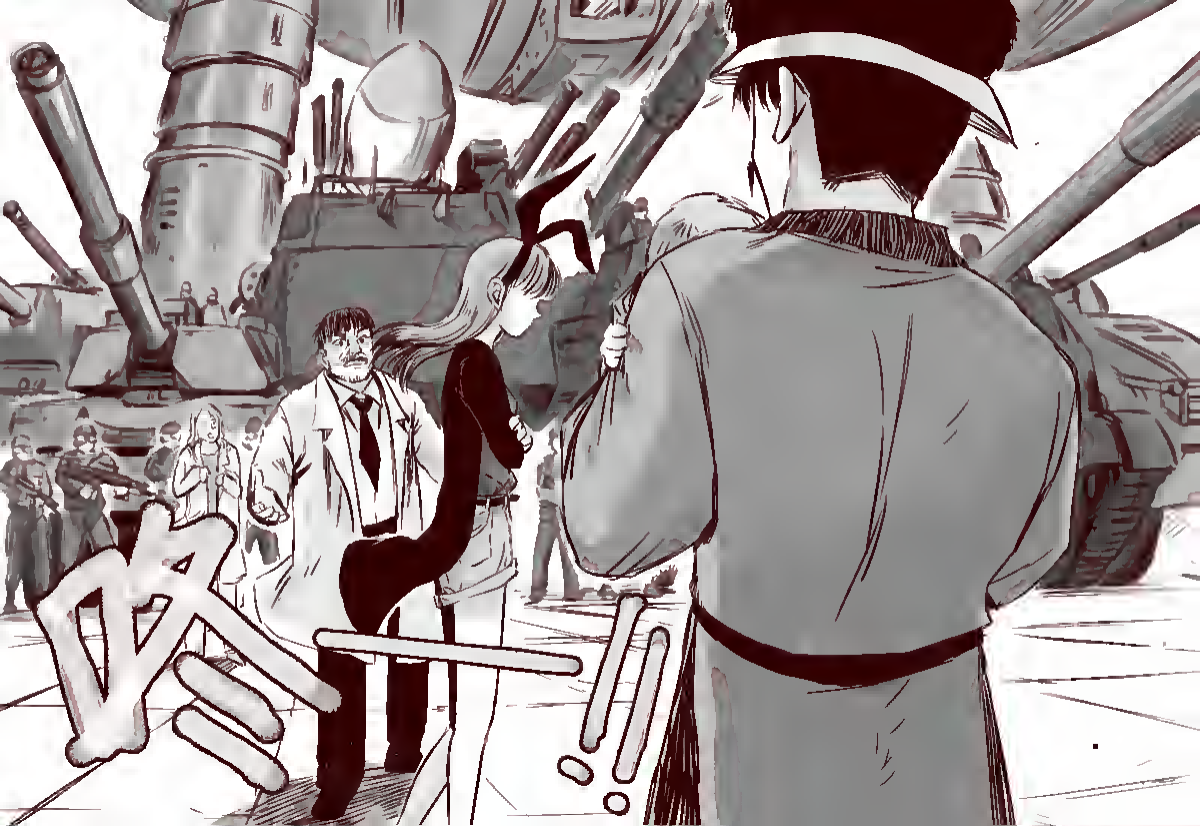
We meet again,
Emperor.
You.....
you—
I came here today for two things.
First, to take Pei Hao back.



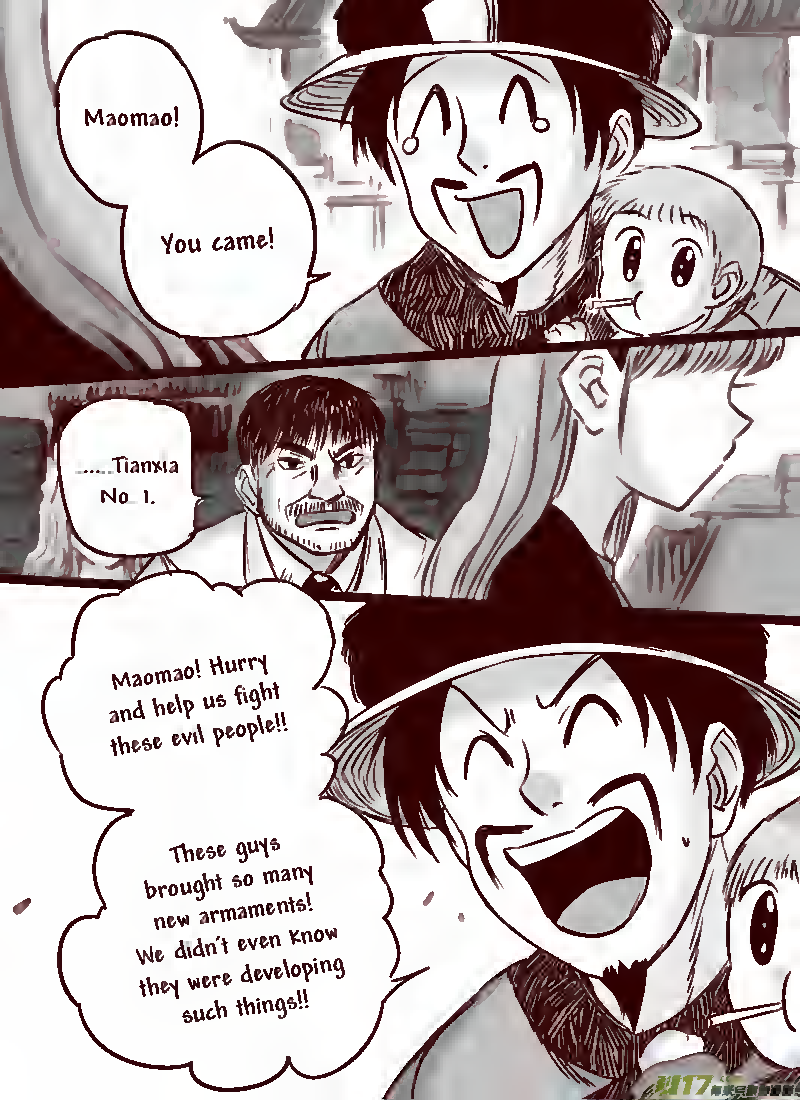
Second, to take Tianxia away.
A, audacious!
Are you tr, trying to start a rebellion!!
Hehehehehh, you obsolete old emperor.
This day would've come sooner or later

What year is this already!!
Science and technology should be at the forefront!
Yet you want to protect the old and keep such useless things!
Just look at how much of a mess Tianxia is!!

This should be a developed and progressive Tianxia!
Yet people are still using swords and wearing gowns to battle!!
Look at this run-down palace!!
It's practically the joke of this era!!



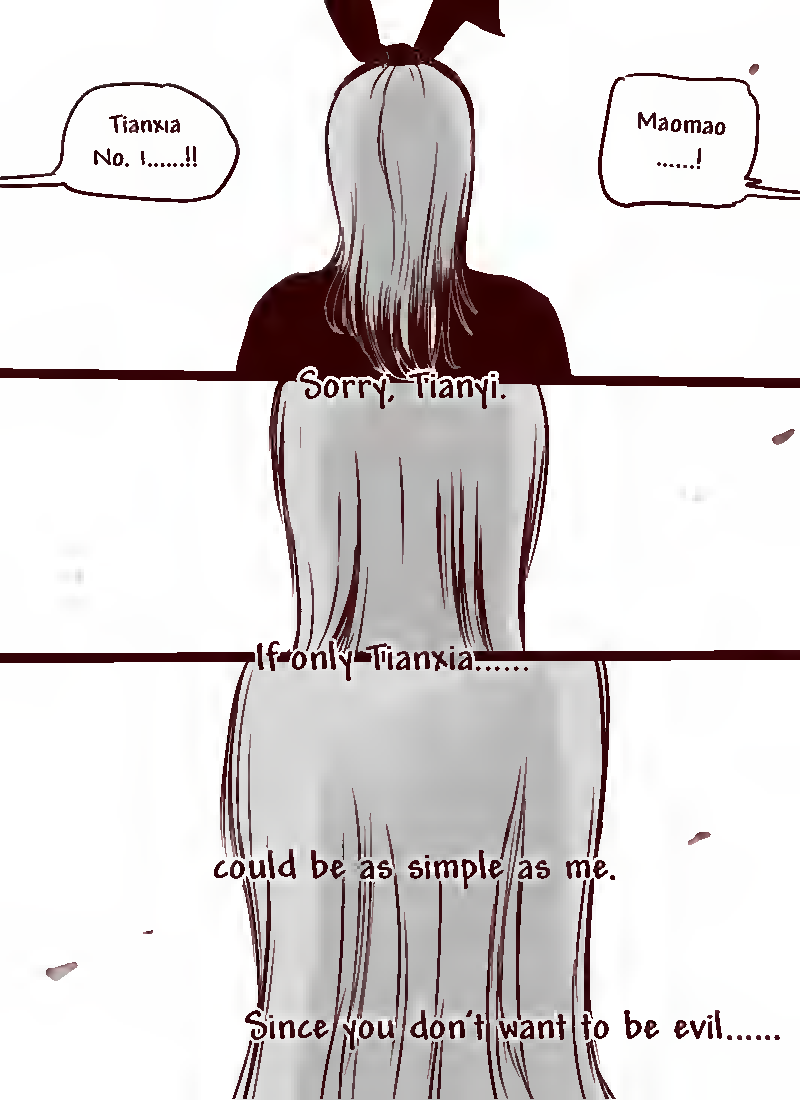
馬



Maomao!
You came!
.....Tianxia No. 1.
Maomao! Hurry and help us fight these evil people!!
These guys brought so many new armaments! We didn't even know they were developing such things!!

Mao Xinjie
.....
Did you hear what I just said?
Don't help the emperor anymore.
Protecting the old will only impede progress.

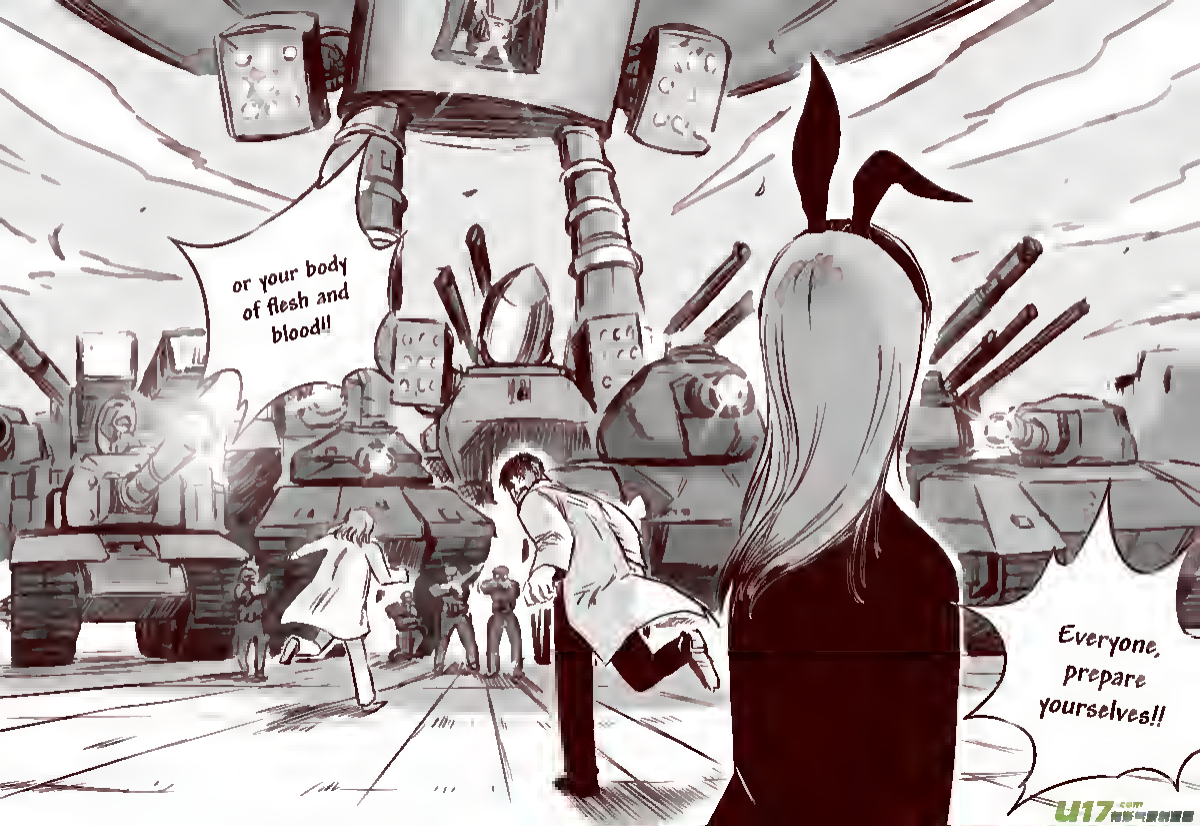
Come and work for us.
We can bring about a whole new Tianxia.....!
You've already snatched my son away from me once.....
but I can overlook it. You don't intend to continue on doing things the wrong way, do you?!
Maomao! Don't listen to his nonsense!
They're just trying to start a rebellion!
Hurry up and drive them off! We will reward you handsomely!



Tianxia
No. 1.....!!
Maomao
.....!
Sorry, Tianyi.
If only Tianxia.....
could be as simple as me.
Since you don't want to be evil.....

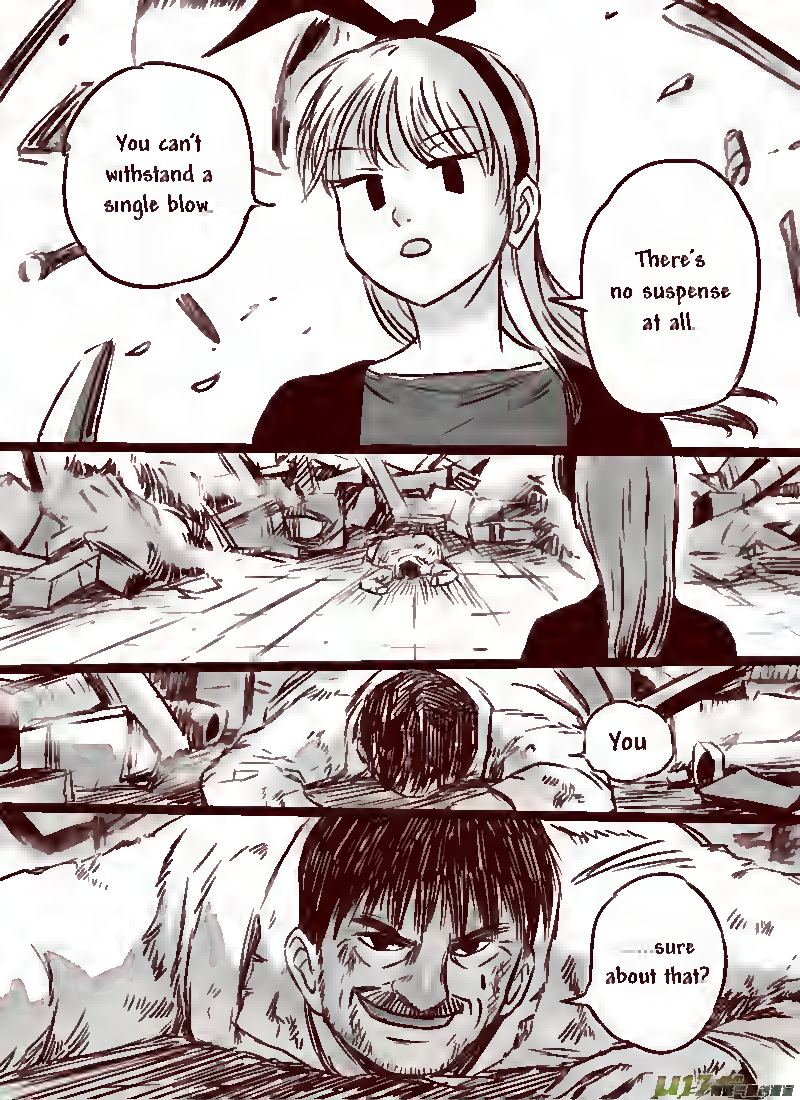
then let me.....!
Did you only bring that trash behind you?

.....
Hmph.
Of course you're still close to your old emperor
Fine.
Then let us see once and for all whether science is more powerful



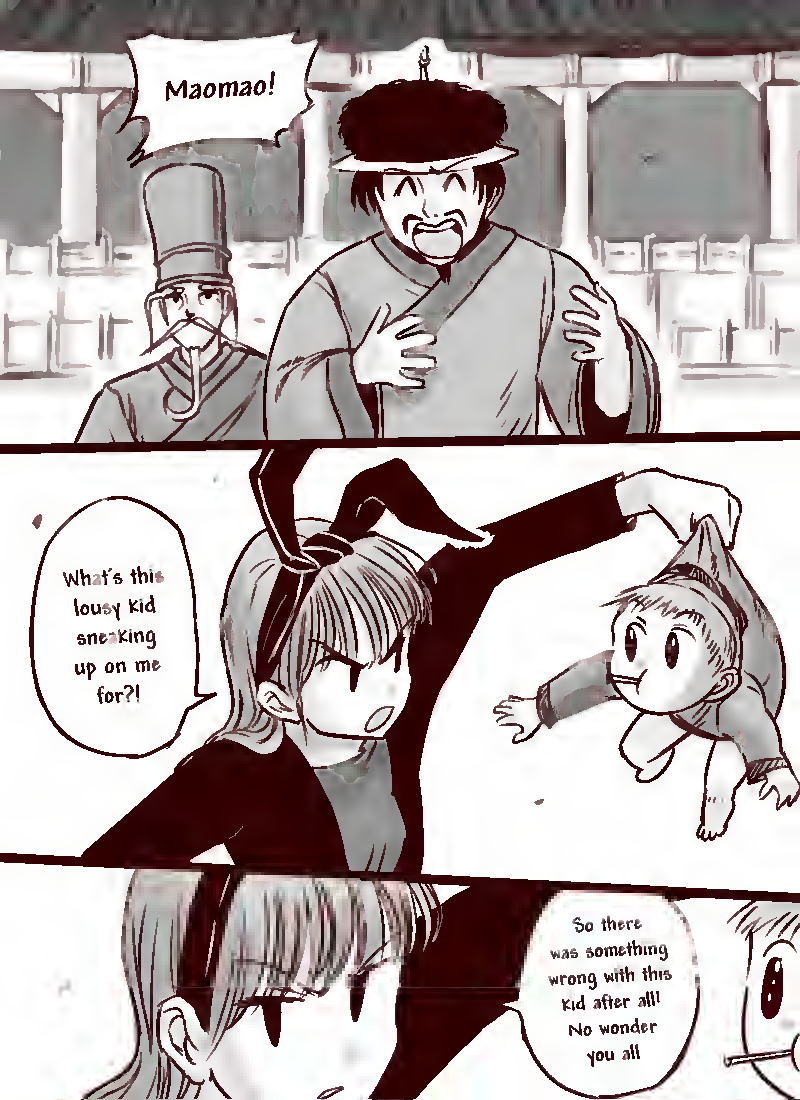
or your body of flesh and blood!!
Everyone, prepare yourselves!!

No need

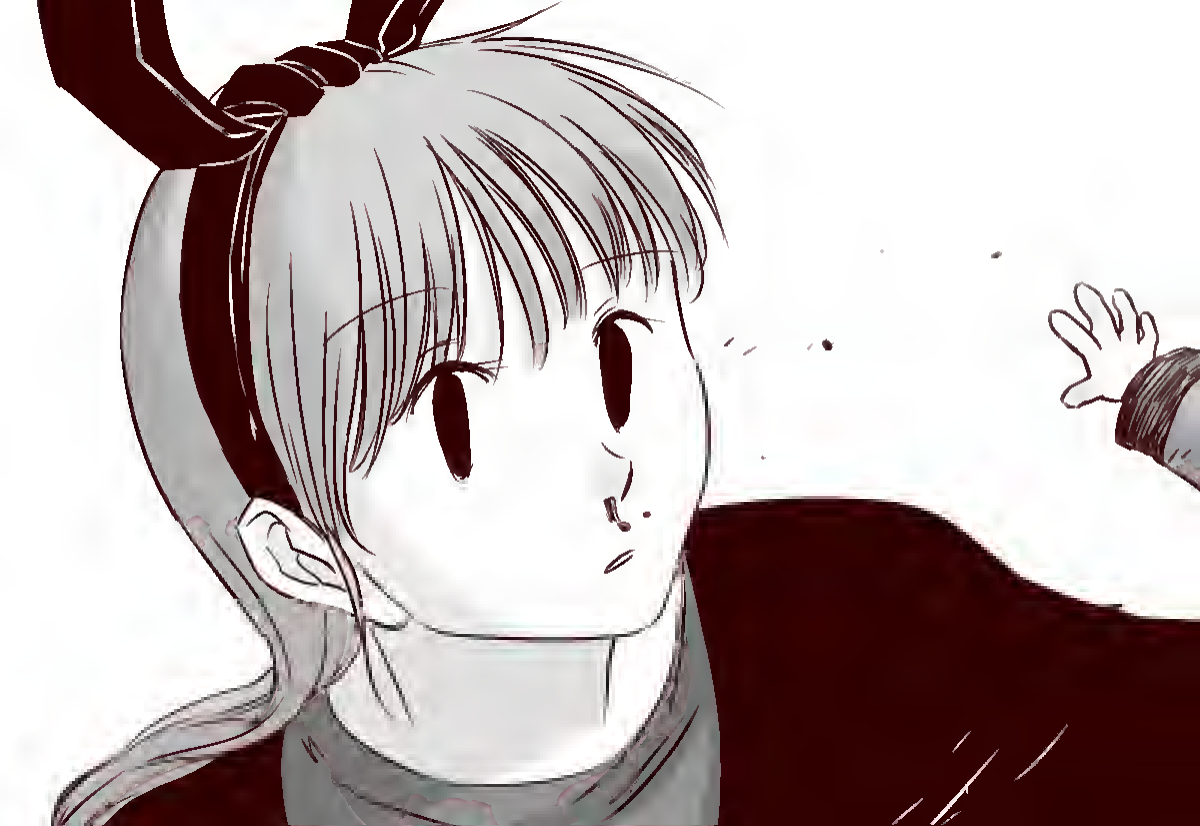


You can't withstand a single blow.
There's no suspense at all.
You
...sure about that?

"DUANG!-



Maomao!
What's this lousy kid sneaking up on me for?!
So there was something wrong with this kid after all! No wonder you all



bababa
bamam
ama
T/N papa, mama
.....?!

Eh, Mao, Maomao!
.....Mao mao!
.....What's going on
Hahahahaha

They say that the children are the country's future.
Hello!
It really isn't false at all.

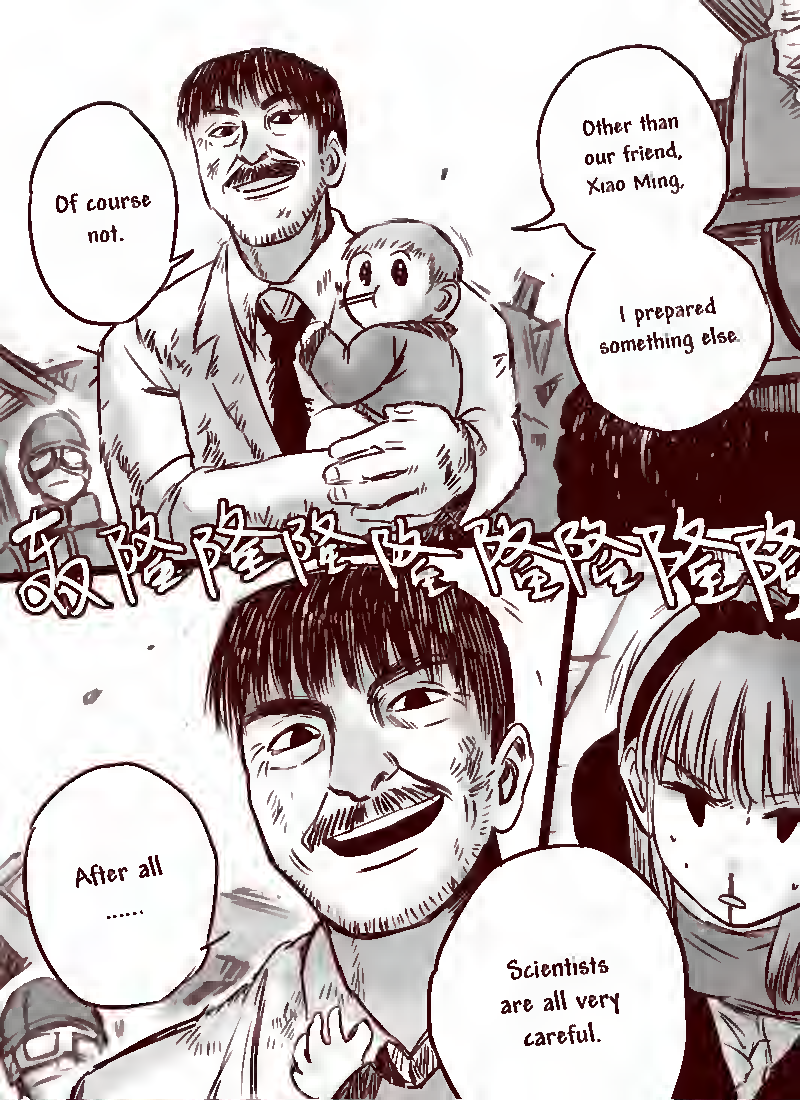
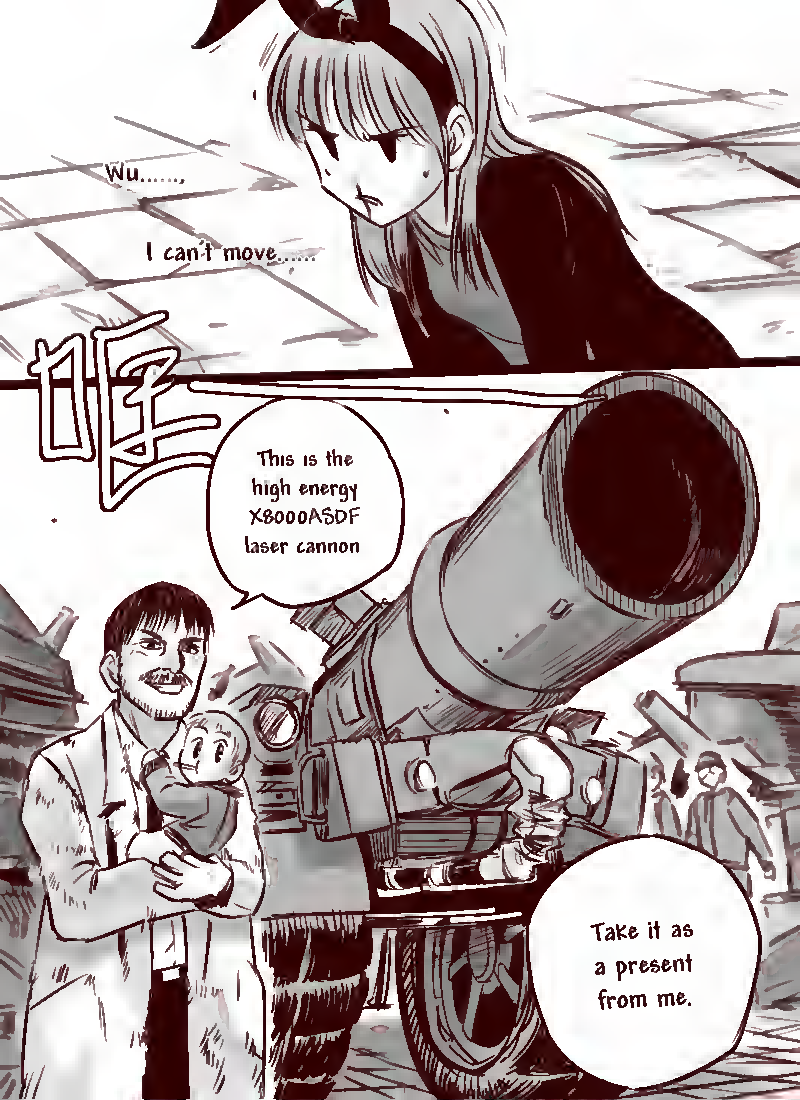
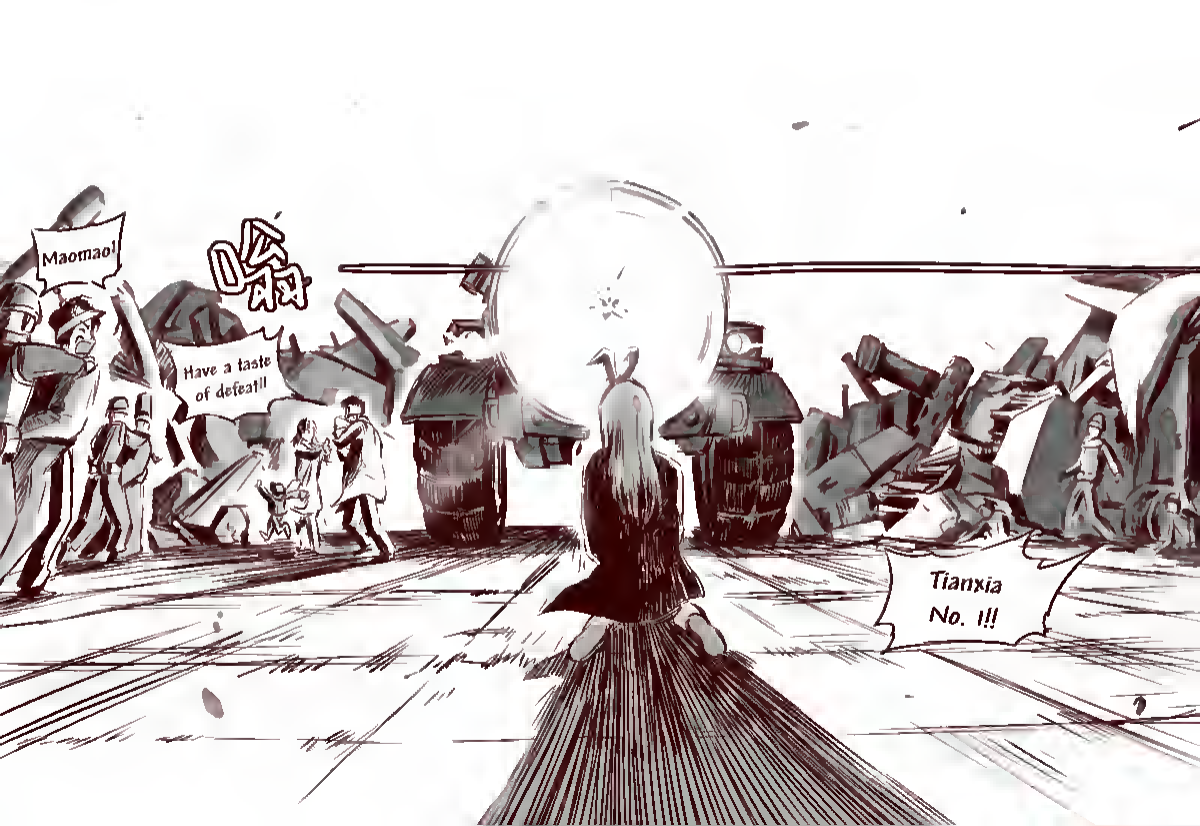
Weren't you just asking if I had only brought this much?
Maomao!



Other than our friend, Xiao Ming.
I prepared something else.
Of course not.
轰隆隆隆隆隆隆隆隆隆
After all .....
Scientists are all very careful.



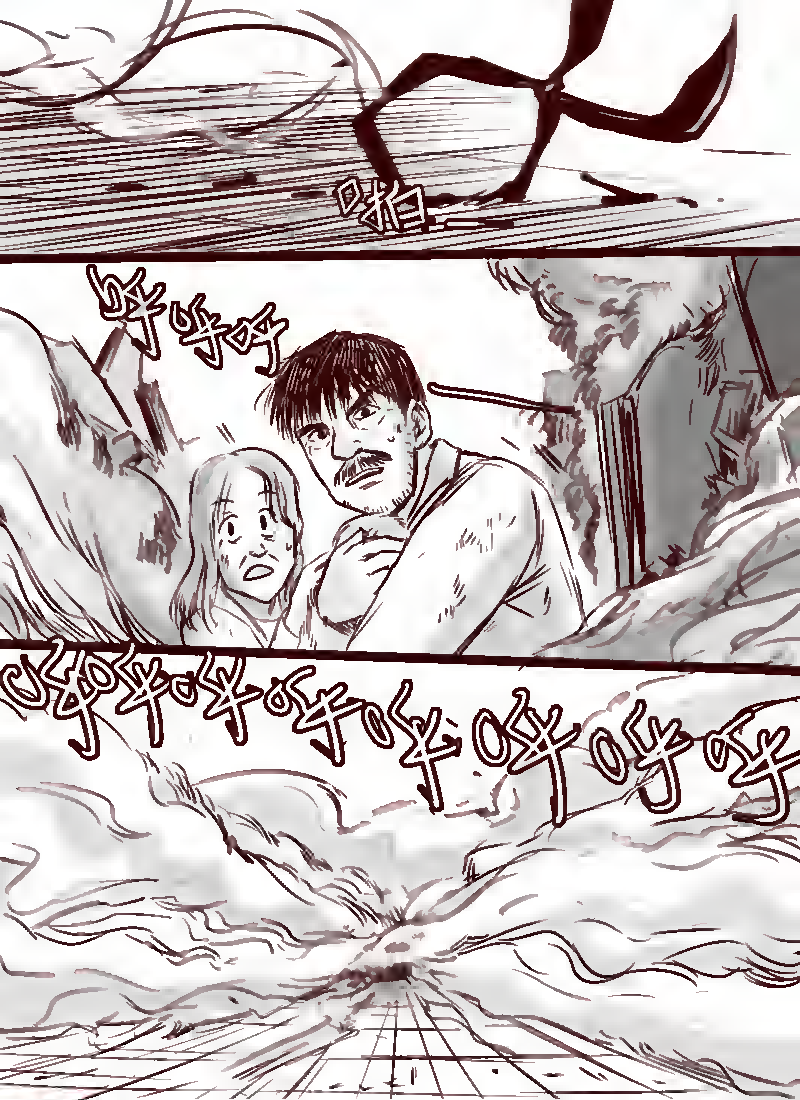
Wu.....,
I can't move.....
呯
This is the high energy X8000ASDF laser cannon
Take it as a present from me.



Maomao!
Have a taste of defeat!!
Tianxia No. 1!!

It can't be
Everything will be okay
You will definitely make a move.....
You will definitely come.....!

Tianxia No. 1!!



咻!
哎呀呀
哎呀呀呀呀呀呀呀呀

You're okay right
Mao Xinjie.
I, it's you ……

Hmph
呼呼呼呼呼呼呼呼呼呼
And where did he come from?
To actually step forward and defend you.
No matter, though.
You've lost, Tianxia No. 1.

Don't be too arrogant
No one can be number one forever.
Now get lost.
Don't let me see you again

As for you .....
Old emperor.
Watch closely. Next,
we'll create a new Tianxia in your place.
